I have reviewed the Farmington Public Schools' "Athletic Activity Fee Program" and understand that the fee paid does not guarantee playing time, control over any conditions of the team or Department of Athletics. I also understand that paying the fee does not in any way alter the Farmington Public Schools' Board of Education Student Policies, the Farmington Public Schools' Athletic Code of Conduct, individual team rules and/or the Michigan High School Athletic Association Regulations. The Athletic Code of Conduct is available on the District's website.

There will be no refunds of the participation fee unless the student athlete suffers a season ending injury prior to the mid-point of the season which precludes them from participating in one-half of the regularly scheduled contests. A physician's letter must accompany any such request. Request for refunds must be made to the Director of Athletics, before the mid-point of the season.

An athlete will not be allowed to participate, including practice, unless all signatures are affixed and the fee has been paid.

- **The High School Fee is set at \$300 for the school year, with a family cap of \$600.**
- **The Middle School Fee is set at \$150 for the school year, with a middle school family cap of \$300.**
- **A combined Middle School/High School cap is set at \$600. No family will pay more than \$600.**

**The Pay to Participate fee can be paid online through PaySchools at this link:**
